

Stock that has appreciated in value is one of the most popular assets used to make charitable gifts. Making a gift of stock gives you the chance to realize tax benefits while helping to strengthen our mission to offer rescue and rehabilitation to equines in need statewide.

Please consult with your tax advisor before making a charitable donation to any charity to acquire tax advantage details of your gift.

You may be eligible to increase the power of your donation with employer matching funds. Many employers will match your personal donation. Check with your company for more information on matching gift programs.
